Syazmi Syakira Binti Mohd Rudzlan

Frontend Developer

Kuala Langat, Selangor, Malaysia +60 11-2940 6050 syazmisyakira.rudzlan@gmail.com linkedin.com/in/syazmi-syakira

PROFILE

Frontend Developer with 5+ years of experience building responsive web applications with Angular, React and TypeScript. Has delivered products across payments, warehouse management, e-commerce and machine learning platforms, including payment API integrations and secure transaction flows. Works closely with designers and backend engineers to ship interfaces that are reliable, consistent and easy to use.

WORK EXPERIENCE

Frontend Developer · Commerce.Asia — Jan 2023 – Present

- Built the user interface of a warehouse management system in React, improving inventory accuracy and speeding up order fulfilment for warehouse operations.
- Integrated payment APIs and developed secure, interactive transaction flows for a payment gateway in React, aligned with industry compliance standards.
- Reviewed teammates' code and tested features thoroughly before release to keep quality high and reduce production issues.
- Partnered with product, design, backend and business teams across departments to turn requirements into shipped features.

Frontend Developer · SKSA Technology Sdn Bhd — Mar 2022 – Dec 2022

- Developed and maintained a customer-facing e-commerce website in Angular, delivering a smooth and intuitive shopping experience.
- Worked with designers and backend developers to turn UI designs into reusable components and connect them to backend APIs.

Junior Frontend Developer · Skymind Sdn Bhd — Jan 2021 – Dec 2021

- Developed and maintained a responsive web application for deploying, managing and visualising machine learning pipelines.
